fresh 2026-07-11 (0d)

DO THIS

- Contact B+H Architects and major Alberta DBFM GCs (EllisDon, PCL, Graham, Bird Construction) for DBFM P3 consortium structural sub role. Bundle with Northern CIC (7036) — same RFQ AB-2025-05148. Resolve procurement model conflict with Alberta Infrastructure. · **URGENT** — **RFQ AB-2025-05148 active.**

Where	, AB	Owner	Alberta Infrastructure
Value	159000000	Stage	design

Status. DBFM P3 RFQ AB-2025-05148 active. B+H Architects confirmed.
Structural sub opportunity bundled with NACIC (7036). Major GCs

(EllisDon, PCL, Graham, Bird) contacted. Construction 2026.

Southern Alberta Compassionate Intervention Centre (SACIC) — Spyhill campus, northwest Calgary. Recovery Alberta / Alberta Infrastructure. 150 beds addiction/mental health treatment facility. Alberta Major Projects confirms stage: Proposed - Design with B+H Architects confirmed. Bundled DBFM P3 procurement with Northern AB CIC (ID 7036) via RFQ AB-2025-05148. NOTE: Item 4243 references same Spyhill project with Parkin Architects and direct (non-P3) delivery — procurement model conflict requires KOR verification. Current best evidence: DBFM P3 via B+H Architects under design-build consortium. IEF essential healthcare facility: seismic, secure therapeutic facility structural. SE sub under DBFM design-build consortium.

Schedule. DBFM P3 RFQ AB-2025-05148 active. Design-build consortium selection 2026. Construction start TBD.

- B+H Architects confirmed for SACIC Spyhill — Alberta Major Projects stage Proposed-Design — Recovery Alberta / Alberta Infrastructure. 150 beds. B+H Architects. DBFM P3 RFQ AB-2025-05148 bundled with NACIC (7036).
- Item 4243 (Parkin Architects, direct delivery) vs Item 6473 (B+H Architects, DBFM P3) — same Spyhill project — KOR must verify current procurement model with Alberta Infrastructure before committing outreach strategy.

Northern Alberta Compassionate Intervention Centre (NACIC) – Edmonton **URGENT**

fresh 2026-07-11 (0d)

DO THIS

→ Contact major Alberta DBFM GCs (EllisDon, PCL, Graham, Bird Construction) for structural sub on both NACIC (7036) + SACIC (6473) — same RFQ AB-2025-05148. Also contact Recovery Alberta procurement team to confirm architect for NACIC. Bundle both CIC sites in same outreach. · **URGENT** — construction starts 2026. RFQ active.

Where	Edmonton, AB	Owner	Alberta Infrastructure / Recovery Alberta
Value	\$90,000,000	Stage	Proposed – Planning/Design

Status. DBFM P3 RFQ AB-2025-05148 active. Bundled with SACIC (6473). Structural sub role. Major Alberta DBFM GCs engaged. Construction starting 2026.

Northern Alberta Compassionate Intervention Centre (NACIC) — Alberta Hospital Edmonton campus. Recovery Alberta / Alberta Infrastructure. 150 beds addiction/mental health treatment facility. Bundled DBFM P3 procurement with Southern AB CIC (ID 6473, Spyhill Calgary) via RFQ AB-2025-05148. No architect publicly confirmed for NACIC (B+H Architects confirmed for SACIC/6473). Construction expected to begin 2026, complete 2029. IEF essential healthcare facility: seismic, secure therapeutic facility structural, DBFM P3 delivery. SE sub under DBFM design-build consortium. Bundle with SACIC (6473) in single DBFM GC outreach.

Schedule. DBFM P3 RFQ AB-2025-05148 active. Construction expected 2026-2029.

- NACIC Edmonton in DBFM P3 RFQ AB-2025-05148 — bundled with SACIC (6473) — Recovery Alberta. 150 beds. Alberta Hospital Edmonton. Construction start expected 2026. DBFM P3.
- NACIC construction expected to begin 2026, complete 2029 — Source: CBC/government announcements. DBFM P3 procurement advancing.

02 • PURSUE

Open windows

Cardston Health Centre Replacement PURSUE fresh 2026-06-13 (27d)

DO THIS

→ Monitor APC for Cardston Health Centre design team/architect RFQ. Contact Alberta Infrastructure project management for Cardston project. Bundle with Red Deer Hospital (6541) and Foothills NICU (6652) in AHS portfolio call. · **Monitor APC monthly. Bundle with 6541 and 6652.**

Where	Cardston, AB	Owner	Government of Alberta (Alberta Infrastructure) / AHS
Value	\$474M total project estimate; \$74M committed Budget 2026	Stage	Planning

Status. PURSUE — \$474M IEF acute care. No architect yet — early engagement window. Monitor APC for design team RFQ.

Cardston Health Centre Replacement — new acute care hospital, Cardston AB (southwest Alberta). Alberta Health Services (AHS) / Alberta Infrastructure delivery. \$474M total project cost (Alberta Major Projects listing). Replaces aging Cardston Health Centre. IEF Importance Factor 1.5 (acute care). Complex healthcare structural: seismic, hospital loading, mechanical/electrical integration. No architect confirmed publicly. APC design RFQ expected 2026-2027.

Schedule. Alberta Major Projects list active. APC design RFQ expected 2026-2027. Construction 2028+.

- \$474M Cardston Health Centre on Alberta Major Projects list — active capital planning — AHS / Alberta Infrastructure delivery. IEF Importance Factor 1.5. \$474M. [2026-01]

Plant and Animal Health Centre Replacement Project PURSUE fresh 2026-06-13 (27d)

DO THIS

→ Monitor Infrastructure BC portal for PAHC design team RFQ. Complex biosafety structural = KOR differentiator. Bundle with 4443 as one project. · **Monitor IBC portal monthly.**

Where	, BC	Owner	Infrastructure BC
Value	400000000	Stage	RFP-issued

Status. PURSUE — \$496M IBC BSL-3 lab campus. No architect yet. Monitor IBC portal for design team procurement. Bundle with PAHC

entry 4443.

Plant and Animal Health Centre (PAHC) Replacement — \$496M consolidated laboratory campus, Abbotsford BC. Client: Province of BC. Delivery agency: Infrastructure BC. Replaces BC government agricultural/veterinary/public health labs. Biosafety Level 3 (BSL-3) containment labs. Complex structural: vibration isolation, differential settlement, biosafety containment, hazardous material handling, specialized foundation and envelope. No architect confirmed. IBC procurement process active. See also: refresh-project-4443.json (same project).

Schedule. Infrastructure BC delivery. Design RFQ/RFP expected 2026-2027.

- \$496M PAHC Replacement on Infrastructure BC delivery list — BSL-3. Province of BC. Abbotsford. IBC delivery. [2025-01]

VGH & UBC Hospital Foundation — West 12th Avenue Two-Tower Redevelopment (Phase 1 West Tower) PURSUE fresh 2026-06-13 (27d)

DO THIS

→ Contact Musson Cattell Mackey Partnership (MCM) Vancouver about structural sub for VGH West 12th Phase 1 West Tower. IEF hospital seismic + 26-storey high-rise = KOR differentiator. Contact the MCM principal leading this project. · **This month — construction start 2027, SE being selected in 2026.**

Where	Vancouver, BC	Owner	VGH & UBC Hospital Foundation
Value	~\$400 million (Phase 1 west tower); full two-tower project ~\$885M total floor area	Stage	Planning

Status. PURSUE — MCM confirmed arch, construction start 2027. SE appointment in 2026. Contact MCM Vancouver about structural sub for Phase 1 West Tower.

VGH & UBC Hospital Foundation expansion at 900 and 990 West 12th Avenue, Vancouver. Phase 1: 26-storey West Tower (~\$400M) — 280 long-term care beds, surgical oncology, transplant, clinical support.

Phase 2: 28-storey East Tower. City Council rezoning approved January 15, 2026. Musson Cattell Mackey Partnership (MCM) is confirmed AOR. Privately funded (Foundation + philanthropy). Complex IEF hospital high-rise: seismic design (Vancouver liquefaction zone), hospital loading, complex foundation adjacent to existing VGH campus. SE not publicly named. MCM controls structural sub appointment.

Schedule. City Council approved January 15, 2026. Construction start 2027. SE appointment: 2026.

Key people. — Project Principal (Architect)

- City Council rezoning approved January 15, 2026 — construction start 2027 — 900-990 West 12th Avenue rezoning approved. Phase 1: 26-storey West Tower, 280 LTC beds. MCM architect. [2026-01-15]
- Musson Cattell Mackey Partnership confirmed AOR for both VGH towers — MCM is AOR for the two-tower expansion. Phase 1: West Tower 26 storeys. Phase 2: East Tower 28 storeys. [2025-01]

BC Cancer Centre — Kamloops (Royal Inland Hospital Campus)

PURSUE

fresh 2026-06-13 (27d)

DO THIS

→ Monitor Infrastructure BC portal for BC Cancer Kamloops design team RFQ. Contact PHSA Capital Asset Management to understand project timeline. · **Monitor quarterly.**

Where	Kamloops, BC	Owner	Interior Health Authority / BC Cancer (PHSA)
Value	\$386,000,000	Stage	Under-Construction

Status. PURSUE — IEF cancer centre. IBC delivery. Radiation bunker + seismic = KOR specialty. Monitor IBC portal.

BC Cancer Centre Kamloops — new cancer treatment and research centre on Royal Inland Hospital (RIH) campus, Kamloops BC. PHSA / BC Cancer / Infrastructure BC delivery. IEF essential facility. Complex medical structural: seismic, IEF, hospital loading, radiation bunkers (linear

accelerators), specialized medical equipment foundations. No architect confirmed. IBC procurement TBD.

Schedule. Provincial capital plan. IBC delivery timeline TBD. Design procurement 2026-2027.

- BC Cancer Kamloops on Provincial Health Capital Plan — Royal Inland Hospital campus — IEF essential facility. IBC delivery. Radiation bunkers. Kamloops. [2025-01]

BC Children's Hospital — Centre for Health Complexity (Slocan Street Campus) PURSUE

fresh 2026-06-13 (27d)

DO THIS

→ Contact Diamond Schmitt Architects (Vancouver) about SE sub for BCCH Centre for Health Complexity. IEF pediatric seismic = strong KOR differentiator. · **This month.**

Where	Vancouver, BC	Owner	Provincial Health Services Authority (PHSA)
Value	\$309,896,000	Stage	Under-Construction

Status. PURSUE — Diamond Schmitt confirmed. IEF pediatric IBC project. Contact Diamond Schmitt Vancouver about SE sub.

BC Children Hospital Centre for Health Complexity — new pediatric facility, Slocan Street campus, Vancouver BC. Diamond Schmitt Architects and Connect Landscape Architecture confirmed design team. PHSA / Infrastructure BC delivery. IEF essential facility. Specialized pediatric medical structural: seismic, IEF Importance Factor 1.5, pediatric equipment loading, specialized clinical structural. Budget not publicly confirmed (\$200-500M range typical for IBC healthcare).

Schedule. Design team confirmed. IBC delivery. Construction timeline TBD.

Key people. — Project Principal (Architect)

- Diamond Schmitt Architects + Connect Landscape confirmed for BCCH Centre for Health Complexity — IEF pediatric healthcare. Slocan Street campus, Vancouver. [2025-01]

Foothills Medical Centre NICU Expansion PURSUE fresh 2026-06-13 (27d)

DO THIS

→ Contact Kasian Architecture Calgary office about SE sub for Foothills Medical Centre NICU Expansion. Complex hospital renovation structural in existing Foothills tower. AHS project = KOR AHS track record relevant. · **This month.**

Where	Calgary, AB	Owner	Government of Alberta (Alberta Infrastructure) / AHS
Value	\$66M govt + additional foundation funding; total ~\$152M	Stage	Design

Status. PURSUE — Kasian Architecture confirmed. Stage Proposed-Design. Contact Kasian about SE sub for NICU expansion.

Foothills Medical Centre NICU Expansion, Calgary AB. Alberta Health Services / Alberta Infrastructure. \$152M estimated. Kasian Architecture confirmed (Alberta Major Projects). Expansion adds 15 NICU beds: 39 to 54 total tertiary-level neonatal care capacity. Stage: Proposed - Design. Complex hospital renovation structural: existing Foothills tower structure, seismic upgrade requirements, active clinical environment phased construction, heavy MEP integration for NICU isolation/monitoring. Kasian is the SE selection path.

Schedule. Stage: Proposed - Design (Alberta Major Projects). No construction timeline publicly confirmed. Design active.

- Kasian Architecture confirmed for Foothills Medical Centre NICU Expansion — Alberta Health Services / Alberta Infrastructure. NICU + 15 beds (39 to 54 total). Stage: Proposed-Design. \$152M estimated.

AHS Alberta Children's Hospital — Centre for Research and Innovative Care PURSUE

fresh 2026-06-13 (27d)

DO THIS

→ Bundle ACH Research Centre (6708) with ACH Inpatient (6654) in one DIALOG Calgary call. Confirm SE status for both projects. · **Within 30 days. Bundle with 6654.**

Where	Calgary, AB	Owner	Government of Alberta / AHS / Alberta Children's Hospital Foundation
Value	TBD — part of Children's Hospital expansion business case	Stage	Concept

Status. DESIGN PHASE — bundle with 6654. One DIALOG Calgary call covers both.

ACH Centre for Research and Innovative Care, Calgary AB. Companion project to ACH Inpatient Expansion (id=6654) — same DIALOG + HDR team. Research/academic healthcare facility with AHS and University of Calgary co-ownership. Same HDR captive structural risk as 6654. One DIALOG Calgary call covers both ACH projects. Bundle this outreach with id=6654.

Schedule. Design phase. Timeline linked to ACH Inpatient Expansion (6654). No specific RFP date confirmed.

- DIALOG confirmed AOR for ACH Research Centre — same team as Inpatient Expansion 6654 — DIALOG AOR. HDR co-designer. Bundle with id=6654 in DIALOG Calgary outreach. [2025-01]

Alberta Children's Hospital Inpatient Capacity Expansion PURSUE fresh 2026-06-13 (27d)

DO THIS

→ Contact DIALOG Calgary about ACH Inpatient project SE status. Bundle with ACH Research Centre (6708) in same call. If HDR holds structural, ask about specialty/peer review opportunity. · **Within 30 days.**

Where	Calgary, AB	Owner	Government of Alberta (Alberta Infrastructure) / AHS / Alberta Children's Hospital Foundation
Value	TBD — \$4M for planning (\$2M govt + \$2M foundation); business case in progress	Stage	Concept

Status. DESIGN PHASE — DIALOG AOR confirmed. HDR structural risk high. Contact DIALOG Calgary immediately.

Major inpatient capacity expansion at Alberta Children's Hospital (ACH), Calgary AB. IEF (Importance Factor Enhanced) post-disaster essential facility. DIALOG Architecture is the architect of record. HDR is co-designer and has an in-house structural engineering practice — high risk that HDR holds the structural scope captive. AHS procurement via APC. Bundle with ACH Research Centre (id=6708) — same DIALOG + HDR team. One DIALOG Calgary call covers both projects. Contact DIALOG Calgary for SE status and specialty/seismic peer review opportunity.

Schedule. Design phase active. APC procurement. No confirmed construction start date.

- DIALOG confirmed AOR for ACH Inpatient Expansion — HDR co-designer with captive structural risk — DIALOG AOR. HDR co-designer with in-house SE. IEF post-disaster essential facility. APC procurement. [2025-01]

Plant and Animal Health Centre PURSUE fresh 2026-06-12 (28d)

DO THIS

- Monitor PSPC MERX and Infrastructure BC for PAHC procurement announcement. Contact PCL, EllisDon, Graham, and Bird Construction to register KOR interest as structural sub-consultant for federal science/lab facilities. Contact PSPC Real Property and Infrastructure BC for PAHC timeline. · Monitor 2026. Watch PSPC MERX and IBC channels.

Where Abbotsford, BC

Owner Ministry of Infrastructure (BC)

Stage in-procurement

Status. PURSUE. Monitor PSPC MERX and Infrastructure BC for PAHC procurement posting. Contact PSPC Science & Technology Real Property team for procurement timeline.

Plant and Animal Health Centre (PAHC) — \$496M federal biosafety research facility, Abbotsford BC. CFIA / PHAC agricultural biosafety laboratory (BSL-2/BSL-3 for agricultural pathogens). Complex structural

scope: multi-storey reinforced concrete, specialized vibration control for sensitive lab equipment, high-seismic design (Fraser Valley = Zone 3+), BSL containment structure requirements, post-disaster essential building classification. PSPC federal procurement. Design-Build or DBF approach. KOR's lab structural experience and seismic expertise are differentiators. Infrastructure BC (IBC) may be involved as procurement manager. Procurement anticipated 2026 — IBC RFQ or PSPC MERX posting expected.

Schedule. Procurement anticipated 2026. Watch for PSPC MERX or IBC RFQ posting.

- PAHC procurement anticipated 2026 — watch PSPC MERX — Federal biosafety facility, \$496M. PSPC procurement via Design-Build or DBF. RFQ/RFP expected 2026.
