PURSUE

fresh 2026-07-11 (0d)

DO THIS

→ PURSUE. Structural EOR has not been publicly named and construction start is not until fall 2026/spring 2027 — design team appointment is likely happening in 2026. Uchucklesaht Development Corporation (UDC) is a new development entity with no established structural relationships from prior Port Alberni projects (the Redford site is their first major residential development). No incumbent SE identified. UDC is off-reserve (City of Port Alberni land) — standard municipal procurement applies, no special Indigenous procurement exemption. KOR fit: multi-family residential with underground parking, 4-storey apartment, Vancouver Island. Warm intro path: contact Uchucklesaht Development Corporation directly at their economic development office. No need for Nation-leadership warm intro for this off-reserve project — UDC staff are the appropriate first contact. Protocol note: Uchucklesaht are a Nuu-chah-nulth Nation with traditional territories including the Alberni Inlet; respectful and informed engagement is expected.
