**Status.** PURSUE — KOR BC client. Contact Bosa for Wilson St SE status. Engage both Bosa and Chunghwa.

5978 Wilson Street, Bosa Properties / Chunghwa JV, Central Park District Burnaby BC. 40-storey concrete tower. Bosa Properties KOR BC client. Part of Bosa Central Park cluster with Solhouse 6035 (2734/6929). Chunghwa JV partner may have SE preference — proactive KOR engagement before JV decisions firm up is important. CapitalPlan stage.

**Schedule.** CapitalPlan stage. Design 2-3 years out.

**Broadway Subway Project — SkyTrain TOD Opportunities at 6 New Stations (2027 Opening)** PURSUE fresh 2026-06-14 (27d)

**DO THIS**

- Contact MCMP Architects to explore structural teaming for their Broadway Plan project pipeline beyond the committed Gracorp mandate. Ask which of their upcoming Broadway Plan projects do not yet have a committed structural engineer. · **Immediate.**
- Contact Perkins+Will Vancouver and Henriquez Partners about Broadway Plan structural teaming. Both are active in the Broadway Plan corridor and may have projects where structural is not yet committed. · **Q3 2026.**

→ Focus on projects at Mount Pleasant, Great Northern Way-Emily Carr, and Arbutus stations — less active TOD than South Granville/Cambie nodes, meaning fewer committed structural teams. · 2026-2027 as subway opening approaches and TOD accelerates at remaining stations.

|              |                                                                    |              |                                                         |
|--------------|--------------------------------------------------------------------|--------------|---------------------------------------------------------|
| <b>Where</b> | Vancouver, BC                                                      | <b>Owner</b> | Multiple private developers (TOD sites around stations) |
| <b>Value</b> | Individual TOD projects not yet priced; pipeline of projects \$1B+ | <b>Stage</b> | Planning                                                |

**Status.** Active and accelerating. Multiple TOD projects in rezoning, DP, or early construction. KOR's entry strategy must be architect-led — identify architects winning Broadway Plan tower mandates and position as structural sub-consultant.

Multiple private developers pursuing TOD (Transit-Oriented Development) around 6 new Broadway Subway stations (fall 2027 opening target). The subway infrastructure itself is in final testing. Under the Broadway Plan framework: mass rezoning approved October 2025 removed major approval barriers for hundreds of additional parcels. First Broadway Plan implementation update published May 2026. Multiple anchor TOD projects already in construction or with permits issued. This is a large-target multi-project opportunity — not a single RFP event.

**Schedule.** Subway: fall 2027 opening. TOD projects: rolling 2025-2032 as developers advance rezoning/DP. Active Broadway Plan rezoning approvals being granted now through 2027+.

**Key people.** — Principal (Architect); — Principal (Architect)

- Broadway Subway fall 2027 opening target confirmed; final testing underway — Subway infrastructure in final testing for fall 2027 passenger opening. This is catalyzing TOD development activity at all 6 stations. [2026-04]

- Mass rezoning approved October 2025; first Broadway Plan implementation update May 2026 — Vancouver City Council approved mass rezoning October 2025 removing approval barriers for hundreds of parcels. First Broadway Plan implementation update published May 2026. Flood of new development applications triggered. [2025-10]
- KOR competitive gap: Gracorp/MCMP (1470 W Broadway, approved Feb 2026) established but other MCMP projects may be open — MCMP Architects won Gracorp mandate at 1470 W Broadway (approved February 2026). MCMP has other Broadway Plan pipeline projects where structural may not be committed. [2026-02]

| Where | Vancouver, BC | Owner | Wesgroup Properties |
| Stage | Design        |       |                     |

River District Parcel 19.1 is a Wesgroup Properties mass timber residential tower project in Vancouver, BC (River District / SE Marine Drive). Stage and cost undisclosed. Wesgroup Properties is a KOR BC client and confirmed SE on Ardea (batch-001 2554). Mass timber typology introduces specialist SE considerations — KOR should confirm its mass timber structural capability before pursuing. KOR's emerging mass timber/concrete hybrid expertise is directly relevant. The River District is

Wesgroup's multi-decade master plan community with multiple parcels still to be developed. SE for Parcel 19.1 will likely be selected once architect is confirmed. [providerName: ProjectBriefHoning]

**SOCO 2 by Anthem (520 Young Drive)** PURSUE fresh 2026-06-13 (27d)

DO THIS

- Contact Anthem Properties for SOCO 2 SE status. Bundle with Anthem cluster (6926/6927/6928/2807).
- Bundle with Anthem BD.

|       |               |       |                   |
