Olympic Village Elementary School — New School URGENT fresh 2026-07-11 (0d)

DO THIS

→ Contact McFarland Marceau Architects (Vancouver) URGENTLY about SE sub for Olympic Village Elementary. Development permit April 2026 = SE selection imminent or already done. Mass timber + seismic. · **URGENT — this week.**

Where	Vancouver, BC	Owner	Vancouver School District No. 39
Value	Over \$150M provincial funding	Stage	Design

Status. McFarland Marceau Architects confirmed; SE sub selection still open post-April 2026 development permit. Contact MMA urgently, consider bundling with Sir Wilfred Grenfell Elementary pursuit.

Olympic Village Elementary School — New School, Vancouver BC. SD39 Vancouver School Board. \$55M. McFarland Marceau Architects (MMA) confirmed as architect — development permit application active as of April 2026. SE sub not yet publicly identified. Urban infill elementary on compact False Creek / Olympic Village site: seismic Zone 4, BC Wood-First construction (mass timber likely), development permit stage = SE sub selection imminent or already confirmed. See also: ID 5034 (DUPLICATE).

Schedule. Development permit application April 2026. SE sub selection imminent. Construction target 2027-2028.

- McFarland Marceau Architects — development permit application April 2026 for Olympic Village Elementary — SD39 VSB. \$55M new elementary. False Creek Olympic Village. DP stage = SE sub selection imminent. [2026-04-01]

École Beausoleil – New K-12 Francophone School, Saanich URGENT fresh 2026-07-11 (0d)

DO THIS

→ Check BidCentral and MERX for Ecole Beausoleil architecture RFP. Contact CSF-experienced architects (Stantec, Architectura, KMBR, Principle Architecture) about SE sub-consultant partnership for permanent school. CM at Risk + construction fall 2027 = architect + SE selection window NOW. · **URGENT — architect selection active June 2026. This week.**

Where	, BC	Owner	School District 93 (Conseil Scolaire Francophone)
Value	73000000	Stage	planning

Status. Architect selection window active; RFQ not yet located on BidCentral/MERX. Contact CSF procurement and CSF-experienced architects (Stantec, Architectura, KMBR, Principle) now for SE sub partnership.

Ecole Beausoleil — New Permanent K-12 Francophone School, Saanich BC (Lansdowne Middle School site). CSF (Conseil scolaire francophone). \$73M Province funding confirmed December 2025. 465 student spaces (K-12), 20 classrooms, childcare, community programs, low-carbon design. CM at Risk (CCDC 5B) procurement posted on MERX November 2025. Architect selection active as of June 2026 — construction target fall 2027. Note: Principle Architecture + Herold Engineering was the design team for the 2022 TEMPORARY school only — not confirmed for the new permanent school. SE sub selection follows architect appointment. CSF-experienced architects include Stantec, Architectura, KMBR, Principle Architecture.

Schedule. Province funding confirmed December 2025. CM at Risk on MERX November 2025. Architect selection active June 2026. Construction fall 2027.

- Province of BC \$73M confirmed for Ecole Beausoleil permanent K-12 school December 2025 — \$73M. 465 places K-12. Saanich BC. Construction fall 2027. [2025-12-04]
- CM at Risk (CCDC 5B) procurement posted MERX November 2025 — Solicitation 221716. CSF client. CM at Risk delivery model. Architect selection active concurrently. [2025-11-14]

R.E. Mountain Secondary — 300-Seat Addition URGENT fresh 2026-07-11 (0d)

DO THIS

→ Contact HCMA Architecture URGENTLY about SE sub for R.E. Mountain Secondary addition. HCMA designed the original campus = front-runner for addition contract. Design RFP Q3-Q4 2026. Also contact Tristan Schaufler (SD35 Director of Facilities, 604-534-3294). **Tristan Schaufler · URGENT — design RFP Q3-Q4 2026. Contact this week.**

Where	Langley (Willoughby), BC	Owner	Langley School District No. 35
Value	~\$42M	Stage	Design

Status. HCMA Architecture front-runner for SE sub role; HCMA designed original campus. Outreach ongoing to bundle with other HCMA projects. Design RFP window Q3-Q4 2026 open now.

R.E. Mountain Secondary 300-Seat Addition, Langley (Willoughby) BC. SD35. Province \$42M funding announced April 2026. Three-storey addition. HCMA Architecture designed the original 2024 campus — front-runner for addition contract. Design RFP anticipated Q3-Q4 2026. 82% GHG reduction target for SD35 aligns with mass timber/low-carbon structural. Construction start summer 2027. See also: IDs 4057, 5273 (both DUPLICATE of this record).

Schedule. Province \$42M announced April 2026. Design RFP Q3-Q4 2026. Construction start summer 2027. Occupancy late 2028.

Key people. Tristan Schaufler

- Province \$42M funding for R.E. Mountain Secondary 300-seat addition announced April 2026 — SD35 Langley. HCMA Architecture original campus designer. Design RFP Q3-Q4 2026. [2026-04-01]

Burtch Road Middle School (New Kelowna Middle School) URGENT fresh 2026-07-11 (0d)

DO THIS

→ Identify architect who won RFP 25-016: check MERX award results or call Kafi Wahidunnabi (SD23 PM, 250-870-5150). Then contact winning architect immediately for structural sub inclusion. **Kafi Wahidunnabi · URGENT — structural sub window narrowing. Act this week.**

Where	Kelowna, BC	Owner	Central Okanagan Public Schools (SD23)
Value	\$101,000,000	Stage	design

Status. Architect for RFP 25-016 not yet confirmed. Check MERX award results or call Kafi Wahidunnabi (SD23 PM) to identify winner, then approach for structural sub role.

Burtch Road Middle School — new 800-seat middle school in Glenmore, Kelowna, BC. \$101M provincially funded September 2025. Site adjacent to Parkinson Recreation Centre. Fall 2029 opening. SD23 issued RFP 25-016 on MERX September 2025. Architect selected by early 2026 (design activities targeted March 2026). Architect identity not publicly confirmed. Structural sub-consultant NOT publicly named — window is open but narrowing. SD23 contacts: Kafi Wahidunnabi (Project Manager, 250-870-5150), Stuart Kamstra (Asst. Director Planning & Capital). RJC Engineers (Kelowna office) is structural competitor. KOR Kelowna office proximity is competitive advantage.

Schedule. Funding September 2025. Architect selected early 2026. Design in progress (SD/DD phase). Construction tender 2027. Opening fall 2029.

Key people. Kafi Wahidunnabi — Project Manager, Operations (Owner); Stuart Kamstra — Assistant Director, Planning & Capital Projects (Owner)

- \$101M provincial funding approved September 2025 — SD23. 800-seat middle school Glenmore Kelowna. Fall 2029 opening. [2025-09]
- RFP 25-016 posted MERX September 2025 — architect selected early 2026 — Architect identity not publicly confirmed. Structural sub-consultant not named. Window narrowing. [2025-09]

Carihi Secondary School A-Wing Rebuild URGENT fresh 2026-07-11 (0d)

DO THIS

- Check BC Bid (bcbid.gov.bc.ca) DAILY for SD72 RFP for Carihi rebuild CM and/or design consultant. Funding approved June 4 — procurement is launching immediately. HIGHEST URGENCY. · **CRITICAL** — check BC Bid daily NOW.
- Call Geoff Manning (Superintendent, SD72) immediately: (1) is architect/structural selected by district or by CM? (2) is the spring 2025 structural engineer continuing into full design? This determines KOR entry path. **Geoff Manning** · Call within 1 week.

Where	Campbell River, BC	Owner	School District 72 (Campbell River)
Stage	planning		

Status. RFP 2026-011 (Architectural Services for Carihi Secondary School Rebuild) posted on BC Bid — procurement live. Call Geoff Manning (SD72) now re structural/CM selection process and pursue sub-consultant role.

Carihi Secondary A-Wing rebuild, SD72 Campbell River BC. November 2024 fire destroyed A-Wing (gymnasium, theatre, foods, learning spaces). \$25M provincial funding approved June 4, 2026. SD72 issuing RFPs for construction manager and design consultants NOW — construction start targeted summer 2026. No prime consultant or SE publicly named. An unnamed structural engineer worked with SD72 on demolition/repair planning in spring 2025 — this firm has incumbency knowledge and may continue into full design. CRITICAL: BC Bid must be checked daily — RFP may already be posted or posting within days. Key contacts: Geoff Manning (Superintendent), Craig Gillis (Board Chair). Bundle with Reimagine the Row (4588) in Campbell River relationship.

Schedule. Funding approved June 4, 2026. RFPs for CM + design being issued NOW. Construction start targeted summer 2026.

Key people. Geoff Manning — Superintendent (Owner); Craig Gillis — Board Chair (Owner)

- \$25M provincial funding approved June 4, 2026 — procurement launching NOW — SD72 issuing CM and design RFPs. Construction start targeted summer 2026. [2026-06-04]
- Unnamed structural engineer worked with SD72 on demolition/repair planning spring 2025 — That firm has project background knowledge and may continue into full rebuild design. [2025-03]

CCSD Cityscape Elementary and Junior High URGENT fresh 2026-07-11 (0d)

DO THIS

- Call Stantec Architecture Calgary (403-262-0088) this week. Ask for project architect leading CCSD Cityscape 6-9 school. Determine structural sub-consultant model (in-house vs. external). If external and slot is open, book meeting. · **URGENT — this week, June 2026. Design is active.**
- If Stantec structural slot is closed, contact Lory Iovinelli (CCSD Director of Capital Projects) to position KOR for next CCSD school (Ambleton HS, Mahogany EJH, Carrington K-9). **Lory Iovinelli · June-July 2026.**

Where	Calgary, AB	Owner	Calgary Catholic School District
Value	TBD — provincially funded, Budget 2026	Stage	Planning

Status. Stantec Architecture confirmed on active design; structural sub slot still unconfirmed. Call Stantec Calgary this week; fallback to CCSD Director Lory Iovinelli for next school if slot closed.

CCSD Cityscape Elementary and Junior High, Grades 6-9, NE Calgary. 1,225 students. Alberta Budget 2026 funded. Alberta Infrastructure delivery. STANTEC ARCHITECTURE LTD. CONFIRMED as architect (Alberta Major Projects ID 11699). Project in Proposed-Design stage as of June 2026. NO structural engineer publicly named. CRITICAL QUESTION: Is Stantec using in-house structural engineering or an external structural

sub-consultant? Stantec has internal structural capacity in Calgary but regularly uses external SE subs on school projects. Call Stantec Architecture Calgary (403-262-0088) THIS WEEK and ask for the project architect leading CCSD Cityscape school to determine structural sub-consultant model.

Schedule. Budget 2026 funded. Proposed-Design stage active June 2026. Stantec engaged. No construction timeline publicly announced.

Key people. — Project Architect, CCSD Cityscape 6-9 (Architect); Lory Iovinelli — Director of Capital Projects (Owner)

- Stantec Architecture Ltd. CONFIRMED as architect — Alberta Major Projects ID 11699 — Alberta Major Projects confirms Stantec Architecture as architect. Project in Proposed-Design stage. 1,225-student CCSD Grades 6-9 school, NE Calgary. [2026-06]
- Budget 2026 funded; 1,225-student capacity — CCSD Cityscape 6-9 funded in Alberta Budget 2026. Alberta Infrastructure delivery. [2026-02]

CCSD Mahogany Elementary and Junior High URGENT fresh 2026-07-11 (0d)

DO THIS

- Monitor APC (purchasingconnection.ca) weekly for Mahogany CCSD EJH design RFQ. Fall 2027 opening means design is being fast-tracked — RFQ could post June-August 2026. · **URGENT — check APC weekly starting now.**
- Contact Lory Iovinelli (CCSD Director of Capital Projects) this week. Confirm Mahogany EJH design procurement timeline. This is the most time-sensitive CCSD Budget 2026 school. **Lory Iovinelli · June 9-20, 2026. URGENT.**
- Approach WalterFedy, Stantec Architecture, HMC Architects for structural teaming on Mahogany EJH. Act in June 2026 before architect teams lock. · **June 2026.**

Where	Calgary, AB	Owner	Calgary Catholic School District
Value	TBD — provincially funded, Budget 2026	Stage	Planning

Status. Pre-procurement, fast-tracked for Fall 2027 opening; design RFQ not yet posted on APC. Contact Lory Iovinelli to confirm timeline and approach WalterFedy/Stantec/HMC for structural teaming now.

CCSD Mahogany Elementary and Junior High, SE Calgary. Budget 2026 funded. FAST-TRACKED for Fall 2027 opening — CCSD has budgeted \$6M in start-up costs for this four-school cohort. Planning stage but on an accelerated timeline meaning design RFQ could post on APC any time in June-August 2026. This is the most time-sensitive CCSD Budget 2026 school with a live SE sub-consultant slot. Contact Lory Iovinelli (CCSD Director of Capital Projects) IMMEDIATELY to confirm design procurement timeline. Monitor APC weekly.

Schedule. Budget 2026 funded. Planning stage but fast-tracked. Design RFQ expected June-August 2026. Fall 2027 opening target.

Key people. Lory Iovinelli — Director of Capital Projects (Owner); Bryan Szumlas — Superintendent (Owner); Brad MacDonald — Secretary-Treasurer (Owner)

- Budget 2026 funded; fast-tracked for Fall 2027 opening, \$6M start-up costs budgeted — CCSD Mahogany EJH SE Calgary. Part of CCSD four-school Fall 2027 cohort. Design procurement will be fast-tracked. \$6M CCSD start-up costs confirm Fall 2027 commitment. [2026-02]

Crystallina Nera K-6 (N) URGENT fresh 2026-07-11 (0d)

DO THIS

- STEP 1: Check Alberta Purchasing Connection (APC) for EPSB Crystallina Nera K-6 design RFQ. Also check ASAP Phase II school list on Open Government Portal to confirm if Crystallina Nera is in the bundled D/B program. · **TODAY — 30-minute research task determines the entire pursuit strategy.**
- If ASAP bundle: contact PCL, Graham, Chandos, and Ledcor Edmonton proactively — offer KOR as structural sub for ASAP Phase II Edmonton schools. If traditional APC: monitor APC for architect RFQ and contact shortlisted architects. · **Immediately after determining procurement model.**

Where	Edmonton, AB	Owner	Edmonton Public Schools (EPSB)
Stage	Planning		

Status. Two pursuit paths remain open: check APC for EPSB Crystallina Nera K-6 design RFQ, and check ASAP Phase II school list. If ASAP bundle, proactively contact PCL, Graham, Chandos, Ledcor Edmonton for structural sub role.

New EPSB K-6 elementary school, Crystallina Nera neighbourhood, north Edmonton AB. Alberta Budget 2026 Year 1 priority. Construction-ready site. One of 10 new Edmonton schools in Budget 2026 announcement. Alberta Infrastructure delivery. PROCUREMENT MODEL CRITICAL: Alberta Infrastructure uses both traditional DBB (via APC) and ASAP (design-build-finance-maintain, P3-style) for school bundles. The ASAP Phase II program covers 3 Edmonton + 7 Calgary schools via bundled design-build. If Crystallina Nera is in the ASAP bundle, SE selected by D/B consortium. If traditional DBB via APC, SE selected by architect. Year 1 priority + construction-ready site suggests either the fastest APC path or inclusion in the ASAP bundle.

Schedule. Year 1 Alberta Budget 2026. Alberta Budget announced March 2026. Procurement underway (APC or ASAP). Construction target 2027-2028.

Key people. Unknown — Capital Projects (Owner)

- Alberta Budget 2026 Year 1 priority — construction-ready site, north Edmonton — One of 10 new Edmonton schools. Year 1 designation = fastest procurement path. Crystallina Nera site is construction-ready. [2026-03]
- ASAP Phase II program for 3 Edmonton + 7 Calgary schools — Crystallina Nera may be included — Alberta Infrastructure ASAP Phase II RFQ posted on Open Government Portal for 3 Edmonton schools + 7 Calgary schools, design-build-finance-maintain. If Crystallina Nera is one of the 3 Edmonton ASAP schools, pursuit path is through D/B consortium, not architect. [2026-01]

FrancoSud New 10-12 High School in North Calgary

URGENT

Fresh 2026-07-11 (0d)

DO THIS

- Contact ACI Architects IMMEDIATELY about structural sub-consultant role on FrancoSud North Calgary 10-12 HS. ACI delivered comparable Airdrie francophone secondary. Also contact Iwanski Architecture and Kasian Architecture as parallel teaming targets. · IMMEDIATE — RFP expected within 4-8 weeks to 3 months.
- Monitor APC (purchasingconnection.ca) for FrancoSud North Calgary 10-12 HS architect/bridging consultant RFP from Alberta Infrastructure. Check daily. · Check APC daily.

Where	N Calgary, AB	Owner	Conseil scolaire FrancoSud
Value	Cost TBD; Budget 2026 planning funding	Stage	Planning

Status. Pre-procurement — design funded, architect RFP for FrancoSud 10-12 HS North Calgary expected Q3-Q4 2026, not yet posted. Urgent outreach to ACI Architects for structural sub-consultant role; monitoring APC for bridging consultant RFP.

FrancoSud new 10-12 high school, North Calgary. Design funding confirmed February 2026. THIS IS THE HOTTEST FRANCOSUD PROCUREMENT WINDOW. Architect/bridging consultant RFP from Alberta Infrastructure expected within 4-8 weeks to 3 months (Q3-Q4 2026). ACI Architects delivered the comparable Airdrie francophone secondary school — HIGHEST PROBABILITY architect for this project. Iwanski Architecture has prior FrancoSud procurement references. KOR must contact ACI Architects immediately and be named as structural sub before the RFP closes. Also contact Manasc Isaac (prior FrancoSud francophone projects) and Kasian Architecture as parallel architect teaming targets.

Schedule. Design funding February 2026. Architect RFP: Q3-Q4 2026. Construction start: 2028-2030 estimated.

Key people. Stephan De Loof — Operations (Owner); Monique Baker — Directrice generale (DG) (Owner)

- Design funding confirmed February 2026 — FrancoSud 10-12 HS North Calgary; RFP 4-8 weeks to 3 months — Design funding confirmed February 2026. ACI Architects highest-probability based on Airdrie francophone secondary precedent. Hottest FrancoSud procurement window. [2026-02]

FrancoSud New K-9 Francophone Catholic School in North Calgary URGENT

fresh 2026-07-11 (0d)

DO THIS

- Contact BKDI Architects, Kasian Architecture, GEC Architecture, and Manasc Isaac for structural teaming on FrancoSud K-9 North Calgary before architect RFP closes Q3-Q4 2026. · **URGENT — RFP expected Q3-Q4 2026. Contact architects NOW.**
- Monitor APC (purchasingconnection.ca) weekly for FrancoSud K-9 North Calgary architect/bridging consultant RFP from Alberta Infrastructure. · **Check APC weekly starting immediately.**
- Contact Stephan De Loof (FrancoSud Operations) and Monique Baker (DG) for pre-procurement relationship building. French-language outreach strongly advised. **Stephan De Loof · Within 30 days.**

Where	N Calgary, AB	Owner	Conseil scolaire FrancoSud
Value	Cost TBD; Budget 2026 planning funding	Stage	Planning

Status. Pre-procurement — design funded, architect RFP for FrancoSud K-9 North Calgary expected Q3-Q4 2026, not yet posted. Outreach underway to BKDI, Kasian, GEC, Manasc Isaac for structural teaming and to FrancoSud ops/DG for relationship building.

FrancoSud new K-9 Francophone Catholic school, North Calgary. Design funding confirmed February 2026. Architect RFP from Alberta Infrastructure expected Q3-Q4 2026 — THIS IS IMMINENT. Prior comparable K-6 FrancoSud RFP (AB-2024-08513) confirms procurement via APC. No architect or SE publicly named. KOR must be on a competitive architectural team BEFORE the RFP closes. Priority architect targets: BKDI Architects, Kasian Architecture, GEC Architecture, Manasc Isaac — firms active in Alberta K-12 francophone school work. Owner

contacts: Stephan De Loof (Operations) and Monique Baker (DG). French-language outreach is advised.

Schedule. Design funding February 2026. Architect RFP: Q3-Q4 2026. Construction start: 2028-2029 estimated.

Key people. Stephan De Loof — Operations (Owner); Monique Baker — Directrice generale (DG) (Owner)

- Design funding confirmed February 2026 — FrancoSud K-9 North Calgary; architect RFP Q3-Q4 2026 — Design funding confirmed February 2026. Prior comparable FrancoSud K-6 RFP (AB-2024-08513) on APC confirms procurement channel. [2026-02]

Gabriola Elementary URGENT fresh 2026-07-11 (0d)

DO THIS

- Email Pete Sabo (ExecutiveDirectorPlanningOperations@sd68.bc.ca) immediately. Reference Gabriola Group 1 #1 status and KOR Nanaimo office proximity to Gabriola Island. Request introductory meeting. This is the highest-value SD68 action. **Pete Sabo · IMMEDIATE — Q3 2026, before MoE announcement.**
- Identify architect on Cilaire Elementary seismic project (2022) via SD68 board minutes — that architect is the most likely Gabriola design lead. Contact them for SE partnership. **Pete Sabo · Research Q3 2026.**

Where	Gabriola Island, BC, BC	Owner	SD68 Nanaimo-Ladysmith School District
Stage	Announced-Funded		

Status. MoE decision pending fall/winter 2026-27. Awaiting SD68 design RFQ on BC Bid. Contact Pete Sabo directly; identify Cilaire Elementary architect as likely design lead for teaming.

Gabriola Elementary, SD68 Nanaimo-Ladysmith. #1 ranked in SD68 Group 1 Five-Year Major Capital Plan submitted to MoE June 2026. MoE funding decision expected fall/winter 2026-27. If approved, design RFP within 6-12 months. Gabriola Island (20-min BC Ferries from Nanaimo) reduces competitive pool — KOR Nanaimo office has zero ferry logistics

requirement. Local structural competitor: Herold Engineering Limited (Nanaimo-based, prior SD68 seismic work on Cilaire Elementary 2022). Confirmed SD68 contacts: Pete Sabo (ExecutiveDirectorPlanningOperations@sd68.bc.ca), Mark Walsh (secretarytreasurer@sd68.bc.ca), Robyn Gray (superintendent@sd68.bc.ca), all 250-754-5521. KMBR Architects confirmed for Ladysmith projects — identify Cilaire Elementary architect as warm path to SD68 seismic program.

Schedule. SD68 submitted to MoE June 2026. MoE decision fall/winter 2026-27. If approved, design RFP 2027. Construction 2028-2029.

Key people. Pete Sabo — Executive Director of Planning & Operations (Owner); Mark Walsh — Secretary-Treasurer (Owner); Robyn Gray — Superintendent/CEO (Owner)

- Gabriola Elementary #1 in SD68 Group 1 capital submission — June 2026 — SD68 submitted Gabriola Elementary as highest-priority seismic project to MoE June 2026. MoE decision fall/winter 2026-27. [2026-06]
- Herold Engineering Limited — Nanaimo SE, prior SD68 seismic work — Herold likely holds Cilaire Elementary (2022) SD68 structural relationship. Primary incumbent risk. [2022]

Ladysmith Primary School Addition URGENT fresh 2026-07-11 (0d)

DO THIS

→ Rory Beirne (KOR Nanaimo) to call KMBR Architects THIS WEEK about structural sub for Ladysmith Primary School Addition. Construction fall 2026 means SE appointment is happening now. Differentiate on KOR Nanaimo local office and prefab structural integration. · THIS WEEK — structural appointment is imminent.

Where	Ladysmith, BC	Owner	Nanaimo-Ladysmith Public Schools (SD68)
Value	\$15,000,000	Stage	capital-approved

Status. Construction fall 2026. SE appointment still open — Rory Beirne (KOR Nanaimo) to contact KMBR Architects this week re structural sub role.

Ladysmith Primary School Addition — \$15M, 2-storey, 250-seat prefabricated addition. BC government funding announced April 8, 2026. KMBR Architects confirmed (PDR contract RFP#2618, awarded November 2023). Construction start fall 2026, opening 2027. SE not publicly named. KMBR controls structural sub selection. KOR Nanaimo office (Rory Beirne) is geographically ideal. KMBR has prior relationships with Fast + Epp and RJC — KOR must contact this week before SE slot is filled.

Schedule. Funding confirmed April 8, 2026. Construction fall 2026. Opening 2027. SE appointment happening NOW.

Key people. Mark Walsh — Secretary-Treasurer (Owner); Rory Beirne — KOR Nanaimo Office Lead (Internal)

- \$15M BC government funding confirmed April 8, 2026 — construction fall 2026 — 250-seat, 2-storey, prefabricated addition to Ladysmith Primary School. BC Ministry of Education funding announced. Construction fall 2026, open 2027. [2026-04-08]
- KMBR Architects confirmed — PDR contract RFP#2618 awarded November 2023 — KMBR Architects Planners Inc. is AOR. PDR contract through September 2027. Controls structural sub selection. [2023-11]

New CCSD schools (Cityscape, Mahogany, Ambleton HS) — Budget 2026 **URGENT**

fresh 2026-07-11 (0d)

DO THIS

→ URGENT: Contact Alberta Infrastructure Calgary about CCSD Mahogany EJH (6663) and Cityscape EJH (6662) structural consultant selection. Call Vanessa Croswell-Klettke (403-500-2777) at CCSD for design team selection status. Fall 2027 target = structural team being selected NOW. **Vanessa Croswell-Klettke** · URGENT — phone 403-500-2777. Design team selection happening now.

Where	Calgary, AB	Owner	Calgary Catholic School District (CCSD)
Stage	Planning/design		

Status. Structural consultant selection for Mahogany EJH and Cityscape EJH underway. Contact Alberta Infrastructure Calgary immediately; watch APC for CCSD design RFQ.

UMBRELLA ENTRY — three CCSD schools funded in Alberta Budget 2026: (1) CCSD Cityscape EJH (6662), (2) CCSD Mahogany EJH (6663), (3) CCSD Ambleton High School (6641). Mahogany and Cityscape EJHs fast-tracked for fall 2027 opening — design consultants likely being selected NOW through Alberta Infrastructure. Ambleton HS is only new Catholic HS in Calgary Budget 2026 — highest value. No architects confirmed. CCSD contacts: Vanessa Croswell-Klettke (403-500-2777), Brad MacDonald (403-500-2733).

Schedule. Mahogany + Cityscape EJHs: fall 2027 opening (fast-tracked — design team selection NOW). Ambleton HS: timeline TBD.

Key people. Vanessa Croswell-Klettke — Superintendent, Finance/Treasurer (Owner); Brad MacDonald — Superintendent, Support Services (Owner)

- Alberta Budget 2026 approved — Mahogany + Cityscape EJHs fast-tracked fall 2027 — Consultant selection underway through Alberta Infrastructure. Design team appointment imminent. [2026]

New K-9 School — Aster (Southeast Edmonton) URGENT fresh 2026-07-11 (0d)

DO THIS

- Check Alberta MERX (merx.com) and Alberta Infrastructure procurement portal TODAY for Aster K-9 architect RFP. Design funding was approved March 2026 — RFP may already be live. · **IMMEDIATE — check daily.**
- Call EPSB Facility Services (780-429-8000) to ask about Aster K-9 design procurement timeline and which architects are pre-qualified. **EPSB Facility Services / Capital Projects · Within 5 business days.**

→ Identify Edmonton school architects likely to pursue Aster K-9 (south Edmonton, new community). Build SE partnership now before architect is selected. · **Within 2 weeks.**

Where , AB

Owner Edmonton Public Schools (EPSB)

Stage design

Status. Design funding approved; architect RFP not yet confirmed on MERX/Alberta Infrastructure portal. Contact EPSB Facility Services to confirm procurement timeline and pre-qualified architects for SE partnership.

Aster K-9 school, Edmonton Public Schools (EPSB). Priority #1 in EPSB 2026-2029 Three-Year Capital Plan. Budget 2026 approved DESIGN funding — procurement is NOW. Site is construction-ready. 650-900 student K-9. Aster is a new development area in south Edmonton. Design RFP has likely been posted on Alberta MERX or Alberta Infrastructure procurement portal. SE selected as architect sub-consultant. Check MERX immediately for Aster K-9 architect RFP. Primary incumbent risk: RJC Engineers, Williams Engineering, Stantec, DIALOG (established AB school SE firms).

Schedule. Budget 2026 design funding approved March 2026. Design RFP posted or imminent. Architect selection likely Q2-Q3 2026. Construction start: 2027.

Key people. Ron Thompson — Superintendent of Schools (Owner)

- Alberta Budget 2026: Aster K-9 design funding approved — EPSB Priority #1 — EPSB Priority #1 for 2026-29 capital plan. Design funding (not just planning) approved in Budget 2026. Site construction-ready. This means architect + SE procurement is imminent. [2026-03]

St. Albert Protestant School District – New K-9 School in Chérot

URGENT

Fresh 2026-07-11 (0d)

DO THIS

→ Monitor SAPSD RFPs page (spschools.org) and APC weekly for Cherot K-9 architect RFQ/RFP. RFP expected June-September 2026. · **URGENT — check weekly starting NOW.**

→ Approach Edmonton-area K-12 architects active in St. Albert (HMC Architects, Kasian Architecture, Group2 Architecture) for structural teaming on Cherot K-9 BEFORE architect RFP drops. · **URGENT** — contact architects this week.

Where St. Albert, AB

Owner St. Albert Protestant School District (SAPSD)

Stage Planning

Status. Pre-procurement — architect RFQ/RFP for Chérot K-9 expected June-September 2026, not yet posted. Monitoring APC and SAPSD RFP page; targeting Edmonton-area K-12 architects for structural teaming ahead of release.

St. Albert Protestant School District new K-9 school, Cherot community, St. Albert AB. Design phase APPROVED February 2026. Architect RFQ/RFP expected June-September 2026. This is one of the most time-sensitive windows in this batch — architect RFP is likely posting NOW or within weeks. No architect or SE named. No incumbent SE entrenched — KOR has a clean shot if they act in June-July 2026. Monitor SAPSD RFPs page (spschools.org) and APC weekly. Approach Edmonton K-12 architects active in St. Albert (HMC Architects, Kasian Architecture, Group2 Architecture) for structural teaming BEFORE the RFP closes.

Schedule. Design phase approved February 2026. Architect RFQ/RFP: June-September 2026. Architect selection: Q3-Q4 2026. Construction: 2027-2028.

- SAPSD design phase approved February 2026 — architect RFP expected June-September 2026 — Design phase approval February 2026. Architect RFQ/RFP expected within weeks to months. No incumbent SE. Clean structural teaming window. [2026-02]

École Beausoleil Permanent K-12 School **URGENT** fresh 2026-07-11 (0d)

DO THIS

→ Call HCMA Architecture + Design Vancouver (604-683-5370) THIS WEEK. Ask for the project architect leading Ecole Beausoleil. Confirm: (a) has structural EOR been selected? (b) If not, express KOR's interest and book a meeting. This is the only action that matters for this item. Deadline: June 20, 2026. · **URGENT — call by June 20, 2026. Schematic design will be complete within weeks.**

→ In parallel, contact Heatherbrae Builders Co. Ltd. (Victoria and Vancouver offices) to introduce KOR. As CM at Risk, Heatherbrae has visibility into consultant team formation and can advocate for KOR with HCMA. · **Same week as HCMA call.**

Where	Saanich, BC	Owner	Conseil scolaire francophone de la C.-B. (SD93)
Value	~\$73,000,000	Stage	design

Status. Schematic design underway with HCMA (architect) and Heatherbrae (CM at Risk); no structural engineer named yet. Call HCMA Vancouver and Heatherbrae this week to introduce KOR before window closes.

Ecole Beausoleil Permanent K-12 School, 1705 Lansdowne Rd, Saanich BC. \$73M. CSF SD93. HCMA Architecture + Design is CONFIRMED architect (CSF capital plan page). Heatherbrae Builders Co. Ltd. CONFIRMED as CM at Risk (MERX RFP November 2025). Ministry of Infrastructure approved December 2025. Project is NOW in SCHEMATIC DESIGN as of June 2026. NO STRUCTURAL ENGINEER has been publicly named on the CSF project page. This is a live structural sub-consultant opportunity in active schematic design — structural systems will be set within weeks. KOR must call HCMA Architecture + Design (Vancouver: 604-683-5370) THIS WEEK. Do not wait. HCMA has previously used Fast+Epp and RJC as structural partners on BC schools. Neither is confirmed on Beausoleil. Herold Engineering did the temporary Beausoleil school (under Principle Architecture, not HCMA) and is not tied to this permanent building team.

Schedule. Ministry approval December 2025. Schematic design: ACTIVE as of June 2026. Construction start: Fall 2027. Occupancy: January 2030. CRITICAL: Structural approach set in schematic design. Call HCMA by June 20, 2026 at the absolute latest.

Key people. — Project Architect, Ecole Beausoleil (Architect); — Project Manager (GC); Marie-Pierre Lavoie — Board Chair (Owner)

- Ministry approval December 2025; schematic design active June 2026 — BC Ministry of Infrastructure approved \$73M project December 2025. CSF capital plan confirms schematic design phase June 2026. [2025-12]
- HCMA Architecture + Design CONFIRMED as architect — CSF official capital plan page (verified June 2026) lists HCMA as architect of record. Fresh team, not the temporary school architect (Principle Architecture). [2025-12]
- Heatherbrae Builders Co. Ltd. CONFIRMED as CM at Risk — MERX notice 443750138461, November 2025. CM at Risk under CCDC 5B transitioning to CCDC 2. [2025-11]

Contact Monika Oystryk (Principal). **Monika Oystryk · IMMEDIATE — design is underway and structural may be actively being selected.**
- Contact Daniel Heaton (Director of Facilities & Architect, LSD) to introduce KOR for the 2027-2030 pipeline. Note: Heaton has architectural background — engage technically. Position for west Lethbridge HS and SW K-5. **Daniel Heaton · Q3 2026 after Budget 2026 funding confirmed.**
- Approach FWBA Architects (Lethbridge-based, active in southern AB K-12) for west Lethbridge HS structural teaming when design funding is confirmed. **Begin relationship late 2026.**

Where	Lethbridge, AB	Owner	Lethbridge School Division
Value	TBD — annual provincial budget cycle	Stage	Concept

Status. ACTIVE DESIGN (Galbraith K-5 — OTA confirmed, no SE named); PLANNING STAGE (SW K-5); CONCEPT (West Lethbridge HS, North Lethbridge elementary).

LSD forward schools pipeline. Four projects: (1) Galbraith K-5 Modernization & Addition — MOST URGENT: Alberta Major Projects Proposed-Design stage, OYSTRYK & TEAM ARCHITECTURE (OTA, Calgary) confirmed as architect, 540 students. NO structural engineer publicly named — CONTACT OTA IMMEDIATELY. (2) New K-5 School SW

Lethbridge — Planning stage, Budget 2025 funded, 590-890 students. Design RFP expected 6-18 months. (3) West Lethbridge HS — highest-value, land acquisition underway, earliest 2027-2028 design phase. (4) North Lethbridge elementary — 2028+ design. LSD Director of Facilities Daniel Heaton has an ARCHITECTURAL BACKGROUND — will evaluate structural proposals with technical sophistication. Williams Engineering Canada and RJC are main SE competitors. FWBA Architects (Lethbridge-based) is a teaming path for the west Lethbridge HS.

Schedule. Galbraith K-5 mod: Design stage now — SE may be being selected. SW K-5: Planning stage, design RFP 6-18 months. West Lethbridge HS: 2027-2028 design. North Lethbridge: 2028+.

Key people. Monika Oystryk — Principal (Architect); Daniel Heaton — Director of Facilities & Architect (Owner); Kyle Beauchamp — Associate Superintendent, Business and Operations (Owner)

- Oystryk & Team Architecture CONFIRMED on Galbraith K-5 Modernization — Alberta Major Projects ID 11461 — Alberta Major Projects Proposed-Design stage. OTA confirmed architect. 540 students. No structural engineer named. [2025-12]
- SW Lethbridge K-5 new school — Planning stage, Budget 2025 funded; LSD capital plan approved March 2026 — Budget 2025 planning funds for SW K-5. LSD 3-year capital plan board approved March 24, 2026. West Lethbridge elementary utilization 118-221% — high urgency. [2026-03]

Matthew McNair Secondary Seismic Upgrade PURSUE fresh 2026-06-13 (27d)

DO THIS

- Contact Thinkspace Architecture NOW to position KOR as SE partner for Matthew McNair Secondary seismic upgrade. Also contact Jonathan Ho (SD38 RPT Director) directly. Ausenco is incumbent — team with non-Ausenco architects for SD38 seismic programme. **Jonathan Ho · This month — before Ministry funding triggers RFP.**

Where	Richmond, BC	Owner	Richmond School District (SD38)
Value	\$41,000,000	Stage	planning

Status. PURSUE — SD38 seismic. Thinkspace Architecture confirmed. Contact Thinkspace now to position as SE partner before Ministry funding triggers RFQ.

Matthew McNair Secondary Seismic Upgrade, Richmond BC. SD38 Richmond. \$41M. Thinkspace Architecture is active SD38 seismic architect. Ministry capital funding approval pending. Ausenco is the SD38 incumbent SE — KOR must team with an architect competing against Ausenco-backed teams. Design procurement 12-24 months from Ministry approval. Construction speculative 2027-2028 if approved late 2026.

Schedule. Ministry capital funding approval pending. Design procurement 12-24 months from approval. Construction 2027-2028.

Key people. Jonathan Ho

- Thinkspace Architecture is active SD38 seismic architect for Matthew McNair Secondary — SD38. \$41M seismic upgrade. Ministry funding pending. Ausenco incumbent SE.

Nanaimo District Secondary PURSUE fresh 2026-06-13 (27d)

DO THIS

→ Bundle NDSS inquiry with Gabriola Elementary outreach to Pete Sabo. Ask about NDSS capital timeline and any MoE advocacy letter support opportunities. Relationships built now on Gabriola will directly benefit NDSS. **Pete Sabo** · **Combine with Gabriola outreach — Q3 2026.**

Where	Nanaimo, BC, BC	Owner	SD68 Nanaimo-Ladysmith School District
Stage	Announced-Funded		

Status. CAPITAL-PLAN STAGE — 3-4 year BD runway. Largest SD68 capital project on horizon. Relationship with Pete Sabo (Gabriola outreach) creates dual opportunity.

NDSS replacement is SD68 Nanaimo-Ladysmith highest-priority long-term capital project — existing school is aging and undersized for Nanaimo's growth. Total project likely \$150-200M+ for full replacement of a major secondary. 3-4 year BD runway before design procurement. SD68 submitted Gabriola Elementary as Group 1 priority for 2026-27; NDSS is likely in a future group submission. KOR Nanaimo office has natural proximity advantage for all SD68 work. Engage Pete Sabo to understand NDSS timeline relative to Group 1 seismic work. No architect or SE confirmed.

Schedule. MoE Group 1 capital plan (Gabriola) submitted June 2026. NDSS is a separate, larger future phase. Design procurement: 3-5 year horizon.

Key people. Pete Sabo — Executive Director of Planning & Operations (Owner)

New Brentwood Town Centre-East elementary PURSUE fresh 2026-06-12 (28d)

DO THIS

→ Contact Josephine Redada (SD41 Project Manager, Josephine.Redada@burnabyschools.ca, 604-296-6900) to confirm Brentwood Town Centre-East Elementary design RFP timeline and SE procurement process. Design RFP may be mid-2026 — window open. **Josephine Redada · This month. Email: Josephine.Redada@burnabyschools.ca, Phone: 604-296-6900**

Where	Burnaby, BC	Owner	Burnaby School District (SD41)
Stage	Planning		

Status. PURSUE. Design RFP potentially mid-2026 — contact Josephine Redada (SD41) NOW to confirm timeline and SE procurement process.

New Brentwood Town Centre-East Elementary School, 4900 Dawson Street, Burnaby BC. SD41. Multi-storey vertical elementary (likely 4-6 storeys), 800 students on 3-acre site. Possibly the most expensive elementary school ever built in BC. Budget 2024 (April 2024) announced planning/business case support. Design RFP potentially mid-2026 or later. No SE named. Complex vertical school = KOR's structural

differentiator (multi-storey school with seismic design, specialized gymnasium and assembly space integration). Project Manager: Josephine Redada (Josephine.Redada@burnabyschools.ca, 604-296-6900). Contact Josephine Redada now — design RFP potentially imminent.

Schedule. Budget 2024 business case support (April 2024). Design RFP potentially mid-2026. Construction 2027-2028.

Key people. Josephine Redada — Project Manager (Owner)

- Budget 2024 April 2024 — business case support; design RFP potentially mid-2026 — 4-6 storey vertical school. Design RFP potentially mid-2026. [2024-04]

New K-6 School — Crystallina Nera (North Edmonton) PURSUE fresh 2026-06-13 (27d)

DO THIS

→ Check Alberta MERX for Crystallina Nera K-6 architect RFP. Bundle with Aster (6514) and Stillwater (6515) EPSB monitoring. · Immediate — check MERX.

Where	, AB	Owner	Edmonton Public Schools (EPSB)
Stage	planning		

Status. DESIGN-FUNDED — Priority #4. Check MERX for architect RFP. SE selected by architect.

Crystallina Nera K-6 school, Edmonton Public Schools (EPSB). Priority #4 in EPSB 2026-2029 Three-Year Capital Plan. Budget 2026 approved design funding. Site is construction-ready. 650-student K-6 in Crystallina Nera community (north Edmonton). Design RFP expected Q2-Q4 2026 on Alberta MERX. SE selected as architect sub-consultant. Same procurement pathway as Aster (6514) and Stillwater (6515).

Schedule. Budget 2026 design funding approved March 2026. Design RFP likely Q3-Q4 2026 (lower priority than Aster/Stillwater). Construction start: 2027-2028.

Key people. Ron Thompson — Superintendent of Schools (Owner)

- Alberta Budget 2026: Crystallina Nera K-6 design funding approved — EPSB Priority #4 — Design funding approved Budget 2026. Site construction-ready. N Edmonton Crystallina Nera community. [2026-03]

New K-9 School — Stillwater (West Edmonton) PURSUE fresh 2026-06-13 (27d)

DO THIS

- Check Alberta MERX for Stillwater K-9 architect RFP alongside Aster K-9 (6514). Design funding approved March 2026. · **Immediate** — **check MERX.**
- Identify southwest Edmonton school architects likely to pursue Stillwater. Bundle EPSB outreach across Aster + Stillwater + Crystallina Nera. · **Within 2 weeks.**

Where	, AB	Owner	Edmonton Public Schools (EPSB)
Stage	design		

Status. DESIGN-FUNDED — Priority #2. Check MERX for architect RFP. SE selected by architect.

Stillwater K-9 school, Edmonton Public Schools (EPSB). Priority #2 in EPSB 2026-2029 Three-Year Capital Plan. Budget 2026 approved design funding. Site is construction-ready. 650-900 student K-9 in Stillwater community (southwest Edmonton). Design RFP expected Q2-Q3 2026 on Alberta MERX. SE selected as architect sub-consultant. Same procurement pathway as Aster K-9 (6514).

Schedule. Budget 2026 design funding approved March 2026. Design RFP Q2-Q3 2026. Architect selection Q3-Q4 2026. Construction start: 2027.

Key people. Ron Thompson — Superintendent of Schools (Owner)

- Alberta Budget 2026: Stillwater K-9 design funding approved — EPSB Priority #2 — Design funding (not just planning) approved Budget 2026. Site construction-ready. SW Edmonton growth community. [2026-03]

Palliser School Division Coalhurst High School Modernization

PURSUE

fresh 2026-06-13 (27d)

DO THIS

- Check APC / Alberta MERX for Palliser Coalhurst HS design RFP or Alberta Infrastructure procurement package. · Immediate.
- Contact Palliser Regional Schools (403-328-4111), ask for Director of Facilities to confirm SE status for Coalhurst HS. Director of Facilities · Within 14 days.

Where	Coalhurst, AB	Owner	Palliser Regional Schools
Value	TBD — design funding approved May 2025	Stage	Design

Status. DESIGN-FUNDED — May 2025. Design team likely underway. Check APC immediately for status.

Coalhurst High School modernization, Coalhurst AB (near Lethbridge), Palliser Regional Schools. Design funding approved May 2025 — 13 months ago. Design team (architect + SE) likely underway or recently selected. High school modernization with structural scope. Check APC for Coalhurst HS design RFP status immediately. Construction funding pending next AB budget. If SE not yet engaged, position KOR with southern Alberta architects pursuing Palliser work. Bundle with Vulcan County Central HS (6707) in same Palliser outreach.

Schedule. Design funding May 2025. Design RFP likely issued 2025 or early 2026. Construction funding pending AB budget. Construction: 2027-2029.

Key people. Tom Hamer — Superintendent/CEO (Owner)

- Palliser Coalhurst HS design funding approved May 2025 — Design funding approved May 2025. Southern AB rural HS modernization. Tom Hamer new Superintendent Aug 2025. [2025-05]

Red Deer Catholic Regional Schools — 3-Year Capital Plan Forward Schools

PURSUE

fresh 2026-06-13 (27d)

DO THIS

- Contact Dr. Rhonda Nixon (Superintendent) and Ryan Ledene (Supervisor of System Services) at RDCRS to introduce KOR. Confirm Notre Dame modernization procurement timeline and Sylvan Lake HS design RFP date. Notre Dame Sept 2027 = procurement likely imminent. **Dr. Rhonda Nixon · Act now — June 2026. Notre Dame architect/SE selection could be underway.**
- Research St. Lorenzo Ruiz Middle School (RDCRS, opened 2023) design team — that architect is the most likely pursuit for Sylvan Lake HS. Contact them for structural teaming before RFP drops. Also approach FWBA Architects (Lethbridge-based but Central AB active) for Sylvan Lake teaming. · **Immediate — contact before architect teams lock.**
- Contact Jason Drent (Associate Superintendent Corporate Services, Chinooks Edge, 403-652-3001) for Sylvan Lake joint HS co-owner perspective. **Jason Drent · Q3 2026 alongside RDCRS outreach.**
- Monitor APC weekly for Notre Dame HS mod and Sylvan Lake HS RFPs from RDCRS or Alberta Infrastructure. · **Monitor weekly.**

Where	Red Deer, AB	Owner	Red Deer Catholic Regional Schools
Value	TBD — capital plan approved April 2025	Stage	Concept

Status. UNAWARDED PRE-PROCUREMENT — Multiple projects. Notre Dame mod (Sept 2027) most urgent near-term. Sylvan Lake HS highest-value. Contact RDCRS immediately.

RDCRS multi-school forward pipeline. Three discrete near-term opportunities: (1) Notre Dame HS mini-modernization, Red Deer — Sept 2027 target, architect/SE procurement IMMINENT or quietly underway. Amphitheatre to classrooms + shop expansion. (2) Sylvan Lake joint HS (RDCRS + Chinooks Edge) — planning funding approved March 2026, Sept 2028 target, architect RFP expected late 2026 to Q1 2027. Joint campus between two divisions. (3) Innisfail K-9 — Sept 2030 target, confirmed priority. No incumbent structural engineer identified — no firm to displace. St. Lorenzo Ruiz Middle School (RDCRS, opened 2023) structural team is the closest incumbent. RDCRS contacts: Dr. Rhonda Nixon, Laurel Latka, Ryan Ledene. Chinooks Edge contact: Jason Drent (Associate Supt Corporate Services).

Schedule. Notre Dame mod: Sept 2027 — procurement may be imminent. Sylvan Lake HS: Sept 2028 — planning funding March 2026, architect RFP late 2026. Innisfail K-9: Sept 2030.

Key people. Dr. Rhonda Nixon — Superintendent of Schools (Owner); Laurel Latka — Secretary-Treasurer (Owner); Ryan Ledene — Supervisor of System Services (Owner); Jason Drent — Associate Superintendent of Corporate Services (Owner)

- Budget 2026 planning funding — Sylvan Lake joint HS (RDCRS + Chinooks Edge), March 2026 — Province greenlit planning funding for Sylvan Lake joint HS. Announced March 5, 2026. \$50K planning grant previously awarded for site/governance. Design RFP expected late 2026-Q1 2027. [2026-03]
- RDCRS 3-year capital plan — Notre Dame mod (Sept 2027) + Innisfail K-9 (Sept 2030) + Sylvan Lake K-5 + Red Deer elementary — RDCRS board-approved 3-year capital plan April 2025. Five forward projects. Notre Dame mod has imminent Sept 2027 target. [2025-04]

Redwood Park Elementary (new) PURSUE fresh 2026-06-12 (28d)

DO THIS

→ Contact Dave Riley (SD36 CPO Executive Director, 14033 92 Ave Surrey) to (a) confirm Redwood Park SE status and (b) register KOR on SD36 structural SE pre-qualification list for 76 active capital projects. Bundle with Darts Hill (4000), Forsyth Road (6859), Clayton Heights (4441), Fleetwood (4437). **Dave Riley** · This month. Priority is SD36 pre-qual list registration.

Where	Surrey, BC	Owner	Surrey School District (SD36)
Stage	Planning (pending Ministry approval)		

Status. PURSUE — if 'currently underway' means construction started, structural design is likely complete. Confirm SE status with Dave Riley / SD36 CPO. Register KOR on SD36 pre-qualification list for future projects.

Redwood Park Elementary — new 37-classroom elementary school, South Surrey (17390 20 Ave.), SD36. SD36 CPO lists as 'currently

underway' as of June 2026 — construction or design phase active. Dave Riley is SD36 CPO Executive Director (manages \$5.7B 76-project capital program). SD36 uses a pre-qualification list for structural SE. If construction is 'currently underway' the SE is already appointed and structural scope may be complete or near-complete. However, SE appointment for construction administration phase may still offer an entry, and the SD36 pre-qualification list registration is valuable for future projects (Darts Hill, Forsyth Road, Clayton Heights, Fleetwood, etc.).

Schedule. 'Currently underway' as of June 2026. Construction likely 2026-2027.

Key people. Dave Riley — Executive Director, Capital Project Office (Owner)

- SD36 CPO lists Redwood Park Elementary as 'currently underway' June 2026 — Construction or design phase active. SE may already be appointed. [2026-06]

Redwood Park Elementary — New School (37 Classrooms) PURSUE fresh 2026-06-13 (27d)

DO THIS

→ Contact Thinkspace Architecture (Vancouver) to introduce KOR and build relationship for SD36 elementary work including Redwood Park. Thinkspace is SD36 incumbent architect on multiple schools. · Within 60 days. Bundle with Grandview Heights SD36 outreach (5148).

Where	Surrey (South Surrey), BC	Owner	Surrey School District No. 36
Value	Cost not yet confirmed; estimated \$60–90M range for 37-classroom school	Stage	Planning

Status. CAPITAL-PLAN STAGE — Ministry funding not confirmed. Thinkspace Architecture is likely architect once funded. Engage Thinkspace NOW in pre-RFP window.

Redwood Park Elementary new school, SD36 Surrey (South Surrey). 37 classrooms. SD36 capital plan. No Ministry funding confirmed yet.

Thinkspace Architecture is the most likely architect based on their long-term SD36 relationship (Ta'talu Elementary, Edgewood Elementary, multiple SD36 seismic). No SE identified. Structural sub-consultant appointment is 12-18 months away (late 2026 to early 2027) once MoE approval comes and architect is confirmed. SD36 has \$5.7B five-year capital plan — build SD36 relationship via Grandview Heights (5148) for compounding effect.

Schedule. Ministry funding not confirmed. If approved 2026-27 cycle, design procurement late 2026-early 2027. Construction 2028-2029.

RVS K-9 School — Bayview, Airdrie PURSUE fresh 2026-06-13 (27d)

- DO THIS
- Check Alberta MERX for RVS Bayview K-9 design RFQ/RFP. Bundle with Dawsons Landing (6670). · Immediate.
 - Contact Navi Kaur (403-945-4000) to confirm Bayview design procurement timeline. Bundle Bayview + Dawsons Landing (6670) in single call. Navi Kaur · Within 14 days.

Where	Airdrie, AB	Owner	Rocky View Schools
Value	TBD — construction funding approved	Stage	Design

Status. DESIGN-FUNDED — construction funding confirmed. Design procurement likely imminent based on RVS sequencing pattern.

RVS K-9 School, Bayview NW Airdrie. Construction funding approved. Fall 2028 opening target. Airdrie is one of Canada's fastest-growing cities. Based on RVS project sequencing (South Windsong groundbreaking Oct 2025, Rivercrest spring 2026), Bayview design procurement should be imminent. Check Alberta MERX for Bayview K-9 design RFP. SE selected by architect sub-consultant. Incumbent SE risk: SE from South Windsong/Rivercrest has competitive advantage — move fast.

Schedule. Construction funding approved. Design procurement: likely 2026 (imminent). Construction: 2026-2027. Opening: Fall 2028.

Key people. Navi Kaur — Director, Facility Planning and Capital Projects (Owner)

- RVS Bayview K-9 Airdrie — construction funding approved, Fall 2028 opening — Construction funding confirmed. South Windsong Oct 2025 groundbreaking, Rivercrest spring 2026 = Bayview design procurement imminent. [2025-01]

RVS K-9 School — Dawson's Landing, Chestermere PURSUE fresh 2026-06-13 (27d)

DO THIS

→ Bundle Dawsons Landing inquiry into Bayview (6669) Navi Kaur call — one contact covers both. Check MERX for both simultaneously. **Navi Kaur** · Within 14 days. Bundle with Bayview (6669).

Where	Chestermere, AB	Owner	Rocky View Schools
Value	TBD — construction funding approved	Stage	Design

Status. DESIGN-FUNDED — construction funding confirmed. Design procurement imminent. Bundle with Bayview (6669) outreach.

RVS K-9 School, Dawsons Landing, Chestermere (east Calgary). Construction funding approved. 2028 opening target. Same timing pattern as Bayview (6669). Chestermere is fast-growing east Calgary community. Design procurement likely imminent. Bundle with Bayview (6669) — same Navi Kaur call covers both.

Schedule. Construction funding approved. Design procurement: 2026. Construction: 2026-2027. Opening: 2028.

Key people. Navi Kaur — Director, Facility Planning and Capital Projects (Owner)

- RVS Dawsons Landing K-9 Chestermere — construction funding approved, 2028 opening — Construction funding confirmed. Same RVS pattern as Bayview (6669). Chestermere fast-growing. [2025-01]

RVS New 9-12 High School in Horse Creek Cochrane PURSUE fresh 2026-06-13 (27d)

DO THIS

→ Contact Navi Kaur (RVS Facility Planning, 403-945-4000) alongside Bayview (6669) and Dawsons Landing (6670) — bundle all three RVS projects in one call. Confirm Horse Creek HS architect selection timeline. **Navi Kaur** · **Within 14 days. Bundle with Bayview (6669) and Dawsons Landing (6670) outreach.**

→ Approach Calgary K-12 architects (HMC Architects, GEC Architecture, Stantec Architecture, Kasian Architecture, WalterFedy) for structural teaming on Horse Creek HS before architect RFP drops. · **Within 30 days.**

Where	Cochrane, AB	Owner	Rocky View Schools (RVS)
Value	Cost TBD; construction funding expected Budget 2027; 1,525-student HS likely \$100-150M range	Stage	Design

Status. UNAWARDED PRE-PROCUREMENT — Design funded March 2026, shovel-ready site. Architect not yet selected. Critical window: late Q3 2026 to Q1 2027.

RVS new 9-12 high school, Horse Creek community, Cochrane AB. Design funding confirmed March 2026. Site is SHOVEL-READY — one of the most advanced unfunded-construction-phase school projects in Alberta. No architect has been selected yet — KOR has a genuine opportunity to get on the right design team before the architect RFP closes. Window: late Q3 2026 through Q1 2027. Calgary-area K-12 architects likely to pursue: HMC Architects, GEC Architecture, Stantec Architecture, Kasian Architecture, WalterFedy. Navi Kaur (RVS Director, Facility Planning and Capital Projects) is the primary EIPS contact — same person manages Bayview (6669) and Dawsons Landing (6670).

Schedule. Design funding March 2026. Site shovel-ready. Architect RFP: late Q3 2026 to Q1 2027. Construction: 2027-2028. Opening: 2028-2029.

Key people. Navi Kaur — Director, Facility Planning and Capital Projects (Owner)

- Design funding confirmed March 2026 — RVS Horse Creek 9-12 HS, Cochrane, shovel-ready site — Design funding confirmed March 2026. Site is shovel-ready. Cochrane is one of Canada's fastest-growing municipalities. [2026-03]

Sidney Elementary — Seismic Upgrade / Replacement

PURSUE

fresh 2026-06-13 (27d)

DO THIS

→ Contact Jason Reid (jreid@saanichschools.ca, 250-652-7300), SD63 Secretary-Treasurer. Introduce KOR seismic structural capability. Confirm 2026-27 MoE submission status for Sidney Elementary. Ask about Director of Facilities for project-level follow-up. **Jason Reid · Within 60 days.**

Where

, BC

Owner

SD63 Saanich School District

Stage

planning

Status. CAPITAL-PLAN STAGE — H1 seismic, highest urgency. MoE approval pending. Contact Jason Reid to confirm 2026-27 MoE submission status.

Sidney Elementary seismic upgrade or replacement, SD63 Saanich School District, Sidney BC. H1 seismic classification (highest risk) — 2018 reassessment. SD63 has been submitting to MoE annually since 2019 and has been denied multiple times. 46 South Island schools in the seismic queue. South Island MLAs increasing advocacy pressure. MoE is under growing pressure to fund South Island seismic program. SD63 has prior seismic track record (James Bay Community School). SE selected by architect sub-consultant. Greater Victoria SE incumbents: Glotman Simpson, Fast + Epp, RJC Engineers.

Schedule. H1 classification 2018. MoE annual submissions since 2019. If MoE approves 2026-27 cycle, design procurement 2027-2028. Realistic: 2-5 year horizon.

Key people. Jason Reid — Secretary-Treasurer (Owner); Dave Eberwein — Superintendent/CEO (Owner)

- H1 seismic — Sidney Elementary highest-risk classification; SD63 applying annually since 2019 — 2018 reassessment: H1 classification. 46 South Island seismic queue. MoE denied multiple times. MLA advocacy building. [2019-01]

STAR Catholic New High School — Beaumont PURSUE fresh 2026-06-13 (27d)

DO THIS

- Approach Edmonton-area K-12 architects likely to pursue STAR Catholic Beaumont HS about structural teaming before design RFP closes in Q3-Q4 2026. · **Within 30 days — design RFP expected Q3 2026.**
- Monitor APC and STAR Catholic website for Beaumont HS design RFQ/RFP. · **Check APC weekly.**

Where	Beaumont, AB	Owner	St. Thomas Aquinas Roman Catholic Schools (STAR Catholic)
Stage	Approved-Funded		

Status. UNAWARDED PRE-PROCUREMENT — no design RFP issued. Design RFP expected very soon (Q3-Q4 2026). Pre-RFP window open for architect teaming.

STAR Catholic new high school, Beaumont AB (south of Edmonton). September 2028 opening target. No architect publicly named. Design RFP expected Q3-Q4 2026 based on the opening timeline. STAR Catholic serves Leduc County communities including Beaumont, Devon, Spruce Grove area. Alberta Infrastructure delivery. Pre-design opportunity — architect selection RFP has not been issued. KOR must identify Edmonton-area K-12 architects likely to pursue Beaumont HS and approach them for structural teaming before RFP closes.

Schedule. September 2028 target opening. Design RFP: Q3-Q4 2026. Architect selection: late 2026-early 2027. Construction: 2027-2028.

- STAR Catholic Beaumont HS — September 2028 opening target, design RFP Q3-Q4 2026 — September 2028 target = design must begin late 2026. Pre-RFP window open. Alberta Infrastructure delivery. [2026-01]

Sundance-Bank Elementary Seismic Upgrade and Expansion

PURSUE

fresh 2026-06-13 (27d)

DO THIS

- Contact KMBR Architects now — SD61 seismic incumbent after Cedar Hill MS. Position KOR as structural sub for Sundance-Bank. Bundle with Ladysmith Intermediate (5077) and Ladysmith Primary in KMBR outreach conversation. · Within 2 weeks.
- Call Stephen Monahan (Manager Major Capital, SD61, 250-920-3400) to ask about Ministry approval status and procurement model for Sundance-Bank. Stephen Monahan · Month 1-2.

Where	Victoria, BC	Owner	Greater Victoria School District (SD61)
Stage	planning		

Status. PURSUE — pre-funding. Approach KMBR now for structural teaming. Contact Stephen Monahan (SD61) to understand Ministry approval timeline. SD61 governance disruption (Official Trustee to Oct 2026) may delay.

Sundance-Bank Elementary seismic upgrade and expansion — SD61 Victoria BC. H1 seismic risk. Expanding K-3 (86 students) to K-5 (240 students) with Neighbourhood Learning Centre and childcare. Community engagement completed August 2024. BC Ministry capital approval NOT yet granted as of June 2026 (not on major capital projects list). SD61 board dismissed January 2025, Official Trustee Sherri Bell in place until October 2026 elections — governance disruption may delay capital decisions. KMBR Architects is natural front-runner (delivered Cedar Hill MS for SD61, opened Sept 2025). SD61 contacts: Stephen Monahan, Marni Vistisen-Harwood, 250-920-3400.

Schedule. Ministry capital approval not yet granted. If approved 2026/27 cycle, architect RFQ likely late 2026-early 2027. Construction realistically 2028-2029.

Key people. Stephen Monahan — Manager, Major Capital Projects (Owner); Marni Vistisen-Harwood — Director of Facilities Services (Owner)

- Community engagement completed August 2024 — awaiting Ministry capital approval — Not on BC major capital projects list as of March 2026. SD61 governance disruption (Official Trustee Jan 2025). [2024-08]

Walden, Carrington, Cityscape & Mahogany Elementary Schools PURSUE

fresh 2026-06-13 (27d)

DO THIS

- Check Alberta MERX for any of the four CBE elementary design RFPs (Walden, Carrington, Cityscape, Mahogany). CBE may bundle or issue separately. · Immediate.
- Bundle CBE elementary inquiry into JGD (6597) / Legacy (6600) outreach call to Joanne Pitman — ask about procurement model for the 4 new elementaries. Joanne Pitman · Within 30 days.

Where	, AB	Owner	Calgary Board of Education (CBE)
Stage	planning		

Status. DESIGN-FUNDED — four new elementaries approved 2026. Check MERX for design RFPs. SE selected by architect.

Four new CBE elementary schools, all approved in Alberta Budget 2026: Walden (SE, 590 students), Carrington (NW, 590 students), Cityscape (NE, 590 students), Mahogany (SE, 740 students). Design procurement is either imminent or just launched for each. CBE may bundle or issue separate RFPs per school. Check Alberta MERX for any of these four school design RFPs. Potential for 4 structural engagements via 4 different architect teams.

Schedule. All 4 approved 2026. Design procurement: 2026 (imminent or just started). Construction: 2027-2028. Opening: 2029-2030.

Key people. Joanne Pitman — Secretary-Treasurer (Owner)

- CBE 4 elementary schools approved 2026 — Walden (590), Carrington (590), Cityscape (590), Mahogany (740) — CBE Building & Modernizing Schools page confirms 2026 approval for all four. Design procurement imminent. [2026-01]

What's moving in this market

- **Red Deer Catholic Regional Schools** — Superintendent transition: Finnigan retired May 2025; Nixon appointed: Dr. Kathleen Finnigan retired as superintendent effective May 2025. Ryan Ledene served as acting superintendent. Dr. Rhonda Nixon is now the permanent superintendent. New leadershi... [2025-05]
- **hcma architecture + design** — Three new principals appointed: Aiden Callison, Ali Kenyon, Darin Harding: hcma expanded its partnership group in February 2025 with three promotions. Callison leads Indigenous design work; Kenyon leads public space and community buildings; Harding leads ... [2025-02]
- **hcma architecture + design** — Carl-Jan Rupp departure from hcma Victoria studio — unconfirmed but consistent with prior signal: Carl-Jan Rupp's departure was flagged in prior knowledge. No current source confirms him at hcma. The Victoria studio contact strategy should shift to Paul Fast or Darin Harding as... [2024-Q4]
- **hcma architecture + design** — Stuart Rothnie departure from hcma — confirmed absent from current principal roster: Stuart Rothnie no longer appears on hcma's current principal group. The three new principals announced Feb 2025 (Callison, Kenyon, Harding) are stated to join 'hcma's seven other p... [2024-Q4]
- **hcma architecture + design** — CORRECTIVE: Darryl Condon confirmed still Managing Principal — prior departure signal was incorrect: hcma.ca team page and Feb 2025 Canadian Architect quote both confirm Darryl Condon as Managing Principal. The prior CURRENT_KNOWLEDGE departure signal for Condon is not supported b... [2026-Q2]
- **Studio 531 Architects** — Lauren Kyle achieves Architect AIBC registration: Studio 531 publicly congratulated Lauren Kyle and Kevin Charpentier on becoming registered Architects AIBC. Kyle joined the firm having relocated to Vancouver Island from Toronto i... [2025-Q1]

- **Studio 531 Architects** — Kevin Charpentier and Rina van Charante promoted to Senior Associate — management layer rebuilt post-Garlick: Studio 531 announced the appointment of Kevin Charpentier (Architect AIBC) and Rina van Charante (Interior Architect) as Senior Associates to work with Tom Moore managing all aspec... [2025-Q1]
- **Studio 531 Architects** — Jesse Garlick departed Studio 531 — has launched Jesse Garlick Architecture Inc.: Jesse Garlick's LinkedIn shows his tenure at Studio 531 as June 2017 to November 2024 (7 years 6 months). He has since established Jesse Garlick Architecture Inc. (jgarch.ca) as it... [2024-11]
- **KMBR Architects** — Gregg Brown — title shifted from Principal to Senior Educational Facility Planner: KMBR's team page (Dec 2025) and SignalHire list Gregg Brown as 'Senior Educational Facility Planner' rather than Principal. His bio notes he advises and offers leadership at the fr... [2025]
- **Workun Garrick Partnership** — Tristan Hawryluk elevated to Partner in 2018 — confirmed still current: Hawryluk was announced as Partner in 2018 after 11 years as an Associate. He is confirmed as a current partner on the firm website People page alongside MacGregor and Rabinovitch a... [2018]
- **Workun Garrick Partnership** — CORRECTION — Dave Christie retired 2013; NOT a current principal: Prior knowledge listed Dave Christie as a current co-principal. The firm's own About page confirms Christie retired in 2013, leaving MacGregor and Rabinovitch as sole directors at ... [2013]
- **Chernoff Thompson Architects** — Andrea Aceto promoted to Associate: CTA announced Andrea Aceto's promotion to Associate on LinkedIn. He has been with the firm since 2017 and is a key delivery lead on Fraser Health (CT scan replacement, Abbotsford U... [2025-Q4]

- **Rocky View Schools** — Lanark K-9 School Airdrie — site investigation complete, design starting, opening 2030: Smaller opportunity (K-9 elementary/JH, 905 students estimated). Design phase beginning. Likely future P3 bundle or DBB. Monitor for architect appointment — approach GEC and ACI Ar...
- **Rocky View Schools** — Chelsea High School Chestermere — planning funded Budget 2025, site investigation complete, construction ~2030: Very early stage. Site investigation complete. RVS optimistic about Budget 2027 construction approval. 3+ years from structural procurement. Monitor and position with architects.
- **Rocky View Schools** — Horse Creek High School Cochrane — design funding Budget 2026, construction ~2028, delivery model TBD: Design funding approved. RVS 'hopeful for construction approval Budget 2027.' If P3 (likely given provincial preference), KOR must team with a P3 consortium early. If DBB, KOR appr...
